

DEMOCRATS LAY PLANS FOR SAN FRANCISCO MEET

Homer S. Cummings
Selected to Preside
at Convention

ALL OFFICERS ARE NAMED

CHICAGO, April 20.—Homer S. Cummings, chairman of the Democratic national committee, today was selected to preside at the National Convention at San Francisco, June 28, and deliver the keynote address which will inaugurate the party policies in the forthcoming campaign.

The slate was framed at a luncheon at the Iroquois Club, and the Democratic chieftains here assembled then listened with particular interest to a speech in which their leader outlined what they said, probably would be the main point of the "keynote address."

The Republican party has lost its moral character, he declared, in launching a vigorous attack in the action of congress in denouncing the peace treaty and league of nations, and particularly the methods by which control of the foreign relations committee was held by the Republicans.

"The whole fight on the league of nations dates back to a corrupt election in Michigan," he said, "and a convicted criminal has been in the White House since 1919."

He was convinced, that the people of the United States had elected the league of nations. Republican congress had defeated the peace treaty for eight months, and had failed "to pass the constructive piece of legislation."

Claims Leadership.

Turning to the war he declared that "not chance, but brains won it," and for this leadership he maintained the Democratic party was entitled to credit. "It matters not what they may say of President Wilson," he added. "His fame is immortal and future generations will render tributes of praise and obligations to this great Democrat."

Relation of Democratic women to the party and their part in the creation of its affairs would be decided by the San Francisco convention, the national executive committee decided today.

"Today's session was said to be the first in which women have had representation on the national executive committee."

Plans for the convention were virtually completed today with the election of temporary officers. Besides Mr. Cummings, national officers are:

E. G. Hoffman, national committee man from Indiana, Secretary.

W. R. Hoffister, Missouri, Assistant Secretary.

Col. John I. Martin, St. Louis, Agent at Arms of the national committee, to be convention sergeant at arms.

J. J. Hughes, Assistant Sergeant at Arms.

Col. Martin who has been sergeant of the national committee for the past twenty five years, has officiated at four previous conventions.

Objections to the San Francisco convention committee's arrangements and particularly to the size of the hall, were removed following the appearance before the committee on arrangements of Postmaster Charles E. Foy, chairman of the San Francisco committee and Isador B. Dockweiler, national committeeman from California, who explained the plans being made to handle the guests and the committee of five with Charles Boeschenstein of Illinois as chairman, was named by Mr. Cummings to draft resolutions of sympathy and respect to be sent to the family of Roger C. Sullivan, a former committeeman from Illinois, who died last week. The resolution will be presented to the convention for adoption.

The executive committee and committee on convention arrangements will meet at San Francisco early in June, it was decided.

HEARINGS DATE GRANTED

Washington, April 20.—Request of the Milwaukee Chamber of Commerce and the Chicago Board of Trade for hearings on their request for a suspension of proposed increased proportional rates on mid-lake grain at and east of Buffalo, N. Y., were granted today by the Interstate Commerce commission. The hearings will be held here by the board of suspension on May 21.

CANDIDTS ATTACK

SEVILLE, Spain, April 20.—Barricade attacks a train last night on which Queen Victoria and her brother, the Marquis of Carisbrook, were traveling from Madrid to Seville in an unsuccessful attempt to carry off the oval plate which the queen was wearing with her.

CENSUS FIGURES

Washington, April 20.—Coffee, Kansas, 13,452, increase 765, or 6 per cent. Augusta, Georgia, 2,548, increase 11,508, or 28.0 per cent.

VICE PRES. MARSHALL ADDRESSES MEMBERS OF ASSOCIATED PRESS

Freedom of Speech and Press
is Advocated by Speaker
to Members

NEW YORK, April 20.—Vice-President Marshall was applauded by members of The Associated Press at their annual meeting today when he advocated freedom of speech and press as guaranteed by the constitution, but favored "soaking it to the fellow who causes trouble in the American Republic by what he says."

He drew a distinction as to rights of free speech between those who were born in this country and others. Native born, he said, had the right to advocate alteration of the government by constitutional means to Socialism or a monarchy, but those who sought a haven in this country had no right to propose a change in the system of government.

The vice-president was the chief speaker at the luncheon of the members in connection with the annual meeting at which the retiring five directors were re-elected by acclamation and four advisory boards and auditing and nominating committees were chosen.

After deprecating the great amount of publicity given to crime and suggesting that newspapers pour oil on the troubled waters of unrest by speaking of the fine things in American life, Mr. Marshall told the meeting what he thought would be real news, namely "a clarion call from every newspaper in America for men to stand for justice, for freedom, for right, for the maintenance of the old constitution and the old principles upon which the Republic was founded."

"The problem for The Associated Press is as to whether it is to act as a mere machine whether it will use the opportunities and the privileges The Associated Press has it will assume some of the responsibilities for bringing peace and quietude and good order at least to America if not the world."

The vice-president counseled against being discouraged at high prices. He recalled the day's after the Civil War when he said flour sold for \$20 a barrel, quinine for \$20 an ounce and called for 80 cents a yard.

"Let's get down from the theory," he said, "that we must either make all the money that we can today for tomorrow we die or we must spend all the money we have today for tomorrow there may be none."

Briefly reviewing the work of The Associated Press, Frank B. Noyes, its president said it had become a "hall mark of accuracy" whether the event recorded the election of a president, a decision of the supreme court or the death of a pope.

He introduced Vice President Marshall as one whom the people were appreciating more and more because of his delightful personality, his resolute cheerfulness and sturdy good nature.

Melville E. Stone, general manager, called on for a speech and said:

"Don't shoot the organist. He's doing the best he knows how. He's going to continue to do the best he knows how."

The following were elected as the central division advisory board:

Marcellus M. Murdock, Wichita, Kansas, Eagle, chairman.

Mrs. Zil Hart Dealing, Warren, Ohio, Tribune, secretary.

Charles Cowles, Des Moines, Iowa Register, Tams Bixby, Muskogee, Okla., Phoenix; J. T. Murphy, Superior, Wis., Telegram.

Ralph H. Booth, Saginaw, Mich., News-Courier, was elected chairman of the nominating committee.

C. C. Marquis, Bloomington, Ill., Pantagraph, was elected a member of the auditing committee.

DIFFICIENCY RAIL BILL PASSES HOUSE

WASHINGTON, April 20.—Without a dissenting vote the house today passed the deficiency appropriation bill providing \$390,000,000 for the railroad administration to wind up its affairs.

Besides the appropriation of \$390,000,000 for the railroad administration, the bill directed that its \$90,000,000 worth of liberty bonds be bought at par by the war finance corporation and the proceeds used by the administration in liquidating its business. With these funds, congress will have appropriated a total of \$1,730,000,000 for the roads. The bill which now goes to the senate also included \$7,000,000 for hospital treatment of disabled soldiers.

COMMUNIST DEFEATED

Moline, Ill., April 20.—Edgar Owens, said to be national secretary of the Communist Labor Party, who is under indictment at Chicago, charged with conspiracy to overthrow the government was defeated 2 to 1 today for a seat in the city council. A. L. Pulver, Democratic candidate withdrew at the last minute to preclude possibility of Owens' election thru split opposition.

STREET CARS CRASH

Chicago, April 20.—A score of persons were injured, one seriously, when two heavily laden street cars crashed together at Halsted and Madison streets during the rush-hour today. The collision was said to have been due to rain and fog.

ALLIES DISCUSS ULTIMATUM TO BE SENT GERMANY

No Agreement Reached—Busy With Turkish Problem

Views of
Premiers Differ

SAN REMO, April 20.—(By The Associated Press)—The premiers of the allied powers in conference here altho busy with the problems of the Turkish peace treaty, have found time to resume the conversations begun Sunday afternoon upon what warning or ultimatum shall be sent to Germany respecting the execution of the treaty of Versailles. It does not appear, however, that their consultations have gotten them beyond an agreement in principle that something of a mandatory character must be sent to the Berlin government, differences in view as to the exact nature persisting.

Premier Lloyd George, it is understood, is holding tenacious to the view that economic penalties shall be imposed if Germany does not conform to the treaty's terms. The French contention, on the other hand, is declared to be that it would be more cruel to cease sending food supplies into Germany than to restrict her industries by shutting off raw materials than to occupy a few districts with the allied troops until Germany changed her attitude.

From the standpoint of internal order in Germany the French statesmen also consider that limiting food and trying to prevent the factories from working would be more dangerous than restricted occupation. Premier Nitti supports Mr. Lloyd George. That is the situation on that question this morning.

The council continued its examination of the Turkish treaty at the formal session.

An official statement issued by the premiers says:

"This morning the conference discussed and approved the financial clauses of the Turkish treaty. The conference after discussing Armenian territorial question, especially the frontier question. Before adjourning the conference took up the question of Batum."

At the afternoon session the supreme council decided to insert a clause in the Turkish treaty making Batum, a free port for the republics of Azerbaijan, Georgia and Armenia. The council spent considerable time considering the protection of minorities in Anatolia. It approved the financial articles of the treaty. The reply to President Wilson which is being drafted by the British is ready for examination.

A note from the league of nations was submitted to the supreme council concerning the mandate over Armenia. The note pointed out that the league had no funds, no staff and no military forces with which to carry out the mandate. The league asked whether the governments embracing the supreme council would provide the necessary resources.

TRACKS WASHED FROM UNDER PASSENGERS

ROCK ISLAND, Ill., April 20.—Four coaches of passenger train number five, west bound, on the Rock Island line, derailed at Marquette, Ill., 61 miles out of Chicago, at 1:20 a. m. today. The accident is reported as having been caused by the track washing out under the train during a cloud burst.

Local division railroad officials report no one injured in the derailment as the train was proceeding with caution over a piece of track threatened with wash-out when the track spread under the train. Telegraph poles were broken down by flood water, destroying wire communication and at 8:30 a. m., only meagre accounts of the accident were available. All traffic is suspended until both east and west bound main tracks at this point can be repaired and the coaches re-railled.

SEVEN HOUR WORKING DAY FOR CIGARMAKERS

Cleveland, O., April 20.—A seven hour working day wherever its members are employed in the United States, Canada, Porto Rico and Cuba, was adopted by the International Cigar Makers Union convention yesterday by a vote of 378 to 102. It will become effective May 1, 1921.

Samuel Gompers, president of the American Federation of Labor and First Vice President of the Cigar Makers Union, led the fight for the seven hour day standard.

ARTIST DIES

London, April 20.—The death was announced today of British Riviere, the artist whose 80th birthday would have been celebrated next August.

Mr. Riviere in the late 60's began with the "Sleeping Deer Hound" produced a series of animal paintings which won him wide recognition.

Tornado Takes Large Toll of Death

BIRMINGHAM, Ala., April 20.—A death list which tonight stood at more than 140 and a property loss of many millions of dollars was the toll exacted by a tornado which today swept a score of towns, villages and isolated farms in Eastern Mississippi, northwestern Alabama and the southern counties of Tennessee.

Communication with many of the stricken districts was difficult but fragmentary reports agreed that the tornado swept down with deadly suddenness obliterating everything in its path. In at least one case—that of Rose Hill, Miss.—virtually the entire town is believed to have been destroyed and in several instances entire families were reported to have been killed. Striking first apparently in Lauderdale county, Miss., about 10 o'clock this morning the storm swept a narrow path across the state carrying destruction to a dozen or more communities. Meridian, Miss., the heart of a rich farming district, suffered heaviest, according to late reports with a known death list of 21. The village of Glen, Alcorn county, numbered its dead at 10, Aberdeen, 10, Ingomar 6, Egypt 5.

Across the Tennessee line 100 miles from Meridian near where it originated, the storm still had force sufficient to wreck homes and farm buildings and to cut a swath thru forest and field. Three deaths are known to have occurred.

Reports today describe the local destruction as having been confined to a path measuring from 100 to 500 yards wide within which the cyclonic wind when at its height left nothing but the most solid structures standing. Sixteen persons were killed, scores injured and property valued at hundreds of thousands of dollars destroyed by the storm in Marion county.

Twenty one persons were killed on a single plantation near Aberdeen, Miss. Harbald's Hog Ranch, near there, one of the largest in the south was wiped out, 500 of the stock killed.

BIG FIGHT OVER BONUSES FOR SOLDIERS STARTED IN HOUSE

Republicans Opposed to Any
Wildcat Enterprises Costing Millions

WASHINGTON, April 20.—Conflict between Republicans and Democrats on soldier relief legislation broke out in the house today, after Chairman Good, of the appropriations committee, had warned members that to put thru a cash bonus plan would "bring down the wrath of 100,000,000 men, women and children."

"The greatest badge the American soldier will wear," Representative Good declared, "will be the badge of sacrifice, and not the badge of a bonus."

The open fight over the legislation when Representative Mondell, of Wyoming, Republican leader, in opposing "any wildcat enterprises costing many millions," charged that the Democrats were attempting to foist an extravagant plan on the Republican house for political reasons.

This statement brought a quick reply from Representative Garner, of Texas, the Democratic whip, who attacked the Republican sales tax plan for raising the needed revenue, declaring the Republicans were planning "to place a tax on the backs and bellies of the people, instead of taking it from the pockets of those best able to pay."

Another development in connection with the bonus legislation was a party conference called by Representative Townier, Iowa, secretary of the Republican caucus committee, for Thursday night, to consider this legislation. His action was announced as a demand from two score Republican members, who were said to be dissatisfied with the work of the house ways and means committee in framing the legislation.

MINERS MEET TO SIGN WAGE SCALE

Peoria, Ill., April 20.—Representatives of Illinois miners and operators will meet here tomorrow to sign the wage scale agreement. This total brought the exports for the nine months ending with March to \$6,051,466,000, and left a trade balance for the nine months of \$3,332,000,000. While its trade balance increased in March, the country's gold and silver supply decreased, exports of gold totalling \$47,000,000 against imports of \$17,000,000, and exports of silver amounting to \$14,000,000, against imports of \$9,000,000.

MARCH IMPORTS REACH NEW RECORDS

Washington, April 20.—Altho imports in March reached a new high monthly record of \$484,000,000, the trade balance in favor of the United States is \$336,000,000. Balances against the record imports were exports of \$820,000,000, or the second largest in the history of the country. This total brought the exports for the nine months ending with March to \$6,051,466,000, and left a trade balance for the nine months of \$3,332,000,000. While its trade balance increased in March, the country's gold and silver supply decreased, exports of gold totalling \$47,000,000 against imports of \$17,000,000, and exports of silver amounting to \$14,000,000, against imports of \$9,000,000.

Palmer Leading In Georgia

Atlanta, Ga., April 20.—With 131 precincts out of 155 in the state heard from at midnight, Attorney General A. Mitchell Palmer on unofficial returns had a lead of 23 county unit votes over his nearest opponent, Thomas E. Watson and 44 votes over United States Senator Hoke Smith in the contest for the Democratic endorsement in Georgia. The vote as compiled by the Atlanta Constitution at that hour stood:

Palmer, 48 counties and 132 precincts; Watson, 48 counties and 109 votes and Smith 37 counties and 89 votes.

Headquarters of Senator Smith conceded that Palmer held a slight lead at that hour.

Mr. Palmer in his campaign pleaded for an unqualified endorsement of the Democratic administration of President Wilson and the league of nations. Senator Smith endorsed the "great achievements" of the Wilson administration and favored the league of nations with reservations.

EARTHQUAKE REGISTERED

Washington, April 20.—An earthquake of modern intensity centered about 2,100 miles from Washington, was shown today on the records of Georgetown University seismographic observatory as having occurred at 4:12 p. m., yesterday, lasting until 4:40 p. m.

LADY ASTOR ATTENDS SUFFRAGE CONGRESS

London, April 20.—On the invitation of Premier Lloyd George Lady Astor will attend the International Woman Suffrage Alliance Congress at Geneva in June as the official representative of the British government. It is possible for her to go at that time.

CLOUDBURST IN CHICAGO

Chicago, April 20.—Homes were flooded and telephone and electric light systems were destroyed when a cloudburst visited the northwestern district of Chicago and suburbs north of the city today.

SETTLEMENT OF YARDMEN'S STRIKE EXPECTED TODAY

Insurgents Will Hold
Big Mass Meeting
Today

GRUNAU WILL
PRESIDE

CHICAGO, April 20.—Action toward ending the unauthorized walkout of switchmen in the Chicago terminal district was expected to be taken tomorrow at a mass meeting of members of the Chicago Yardmen's Association called today by a committee of strike leaders.

Government and city officials and representatives of the railroad were invited to be present. Before calling the meeting the strike's committee was in conference with District Attorney Clyne, and the move was said to have the support of federal officers.

John Grunau, president of the Yardmen's Association, who is in jail at Joliet, predicted the speedy settlement of the strike at the mass meeting. He said he expected to see his release on bond in time to attend the gathering.

The meeting, according to a notice sent to members of the Yardmen's Association, "will be presided over by John Grunau and prominent city and federal officers for the purpose of taking a vote, as your president has promised you all through his campaign. All members are requested to attend in a body, and you are the jury."

Seven more strike leaders, for whom warrants were issued today, surrendered at the federal building and were held in \$10,000 bond. The men were charged with succeeding to offices left vacant by arrest of Grunau and other leaders last Thursday.

Those who surrendered were W. P. Ready, George Goodridge, Thomas J. O'Keefe, Harry Van Wert, Isaac Oris, Hjalmar Carlson and Charles Crotty, trustees and directors of the Yardmen's Association.

The railroads announced that 42 crews went to work in the yards today, bringing the total to 568 as compared to a normal operation of 765. Livestock receipts were 1,420, virtually normal. Twelve hundred cars of coal were received as compared to a normal run of 2,000 cars.

The railroads entering Chicago issued an ultimatum to strikers to return to work by Wednesday noon under penalty of losing seniority rights.

Prospects of another railroad crisis in Chicago vanished with the decision of representatives of 30,000 freight handlers, clerks and station employees to remain at work and await action by the federal wage board on increases asked.

E. F. Grable, president of the Brotherhood of Maintenance of Way Employees and railway shop laborers, today said, in Detroit, that the threatened walkout of members of that organization in the Chicago district on April 28 would not receive the sanction of the brotherhood.

The Chicago locals against which action was taken included No. 732, comprising employees on the Illinois Central; No. 750, Chicago & Northwestern; No. 898, Indiana Harbor Belt; No. 806, Elgin, Joliet & Eastern, at Gary, Ind.; No. 754, Bee Railroad.

Approximately 1,900 men are affected in each region.

Thomas J. O'Keefe and Harry Van Wert, directors of the Chicago Yardmen's Association who surrendered today were placed in jail tonight after they had refused to make an effort to obtain bond. Frederick W. Lockwood was ordered held in custody. He was arrested by federal agents, who declared he had made addresses advocating the continuance of the strike.

PROMINENT AMERICAN NEWSPAPERMAN DIES

Toledo, O., April 20.—Robinson Locke, editor and owner of the Toledo Blade died in a hospital here tonight following an operation for appendicitis. Mr. Locke was born in Toledo, March 15, 1856. He was prominent in civic activities, a war correspondent, and a dramatic critic. He was said to have owned one of the most complete dramatic libraries in the world.

Mr. Locke was a 33rd degree Mason and at various times had held the highest national offices in Masonry. His father was David Ross Locke, who gained fame under the pen name of Petroleum V. Nasby. He was appointed United States consul to New Castle-on-Tyne, England, by President Arthur in 1883 and served two years. His widow, who was Miss Marvel Dixie of Yonkers, N. Y., survives him.

DISTRIBUTION OF ESTATE AGAIN HELD UP

Chicago, April 20.—Eleven recognized heirs of the late William P. Cowan, Standard Oil Co. magnate and claimants to a share in his estate of \$3,000,000, were balked again today in their effort to have a division of the estate made. Attorneys representing William Lowery of Missouri, who claims to be a son of Cowan, appeared in court yesterday as the division was being made and entered a claim for the fortune. Proceedings were halted to allow an investigation.

SUSPEND HEARINGS.

Springfield, Ill., April 20.—Proposed increased Pullman car rates were suspended by the Illinois Public Utilities Commission today under August 29, 1920.

PRINCIPAL STOCK EXCHANGES OF JAPAN FORCED TO CLOSE

Large Banking Firms of Orient
Country Experiencing
Financial Difficulties

WASHINGTON, April 20.—The American embassy at Tokio reported to the state department today, under date of last Saturday, that the principal stock exchanges of Japan had been closed for three days because of failure of operators to put up additional margins.

Rumors have been widespread in this country for several days that some of the large banking firms in Japan were experiencing financial difficulties. At the Japanese embassy here it was said the government had taken steps to restrict loans made by banks for speculative purposes.

The state department gave out a statement of 1920, based on information from the embassy at Tokio. It said in part:

"The principal market exchanges of Japan have been closed for three days owing to the situation created by failure of operators to put up additional margins. Tokio stock exchange stock, regarded as a barometer of general conditions, dropped from 470 to 260 within the last thirty days."

"There has been some stringency in the money market here because of shortage of currency—due to unprecedented activity in promotions during the past quarter and to adverse balance of trade. The excess of imports during the first three months of 1920 was \$130,000,000 equal to nearly fifty per cent of total exports."

According to cablegrams from unofficial but reliable financial sources in Japan the present financial trouble began about April 7, when the stock exchange at Tokio, Nagoya and Osaka were obliged to call upon the Bank of Japan for relief. After considering the bank officials decided to extend assistance to effect the usual balance. As a result for a time the general condition improved and business on the exchange became more settled.

On April 13, the three exchanges were reopened for business but there was such a rush by holders of stock to unload the exchange was forced to close the next day.

The result was that much of the business shifted to Tokio and Nagoya, and in a short time those two exchanges had to close.

CON CONS WILL MEET AGAIN TODAY

SPRINGFIELD, Ill., April 20.—Opponents of constitutional provisions to compel voters to go to the polls on election days will bring out their arguments when the Illinois basic law convention resumes its sessions tomorrow. Consideration in the committee of the whole of the suffrage report is on the program of the convention for tomorrow.

Proponents of plans for compulsory voting presented their ideas to the delegates last week. The opponents held their attack for this week's session.

Majority and minority reports will be submitted to the convention this week by the educational committee. Henry M. Dunlap of Savoy will submit the minority report. Delegate Dunlap split with the majority on the question of permitting public funds to be used by sectarian schools. A section in Delegate Dunlap's plan would prohibit payment of public funds to any sectarian school except to acquire the property of the sectarian institution by condemnation.

The majority report will conform closely to the educational article of the present constitution.

Provisions in the senate bill for gradual reduction of the regular army to about 200,000 men in five years were eliminated by the senate after substitution of the voluntary for the compulsory training system. A plan for graduated reduction of the regular establishment is contained in the house bill, however.

WILSON MEETS WITH HIS CABINET

WASHINGTON, April 20.—President Wilson met with his cabinet today for the second time since his illness interrupted the regular schedule of meetings last fall. As on last Wednesday when a special meeting was called to consider the railroad strike, cabinet members went to the president's study in the white house instead of the regular cabinet room in the executive building. The senate staff was smaller under the provision. The senate bill authorizes separate finance construction, transportation chemical warfare and aviation service and also establishes the army nurse, dental, veterinary and chaplain's corps.

U. S. STEAMER AGROUND

Trieste, April 20.—(By The Associated Press).—The American steamer Susquehanna, with 450 passengers aboard and a crew of 280 men is aground near Lussino, on the Dalmatian coast near Pola. The passengers, all of whom are safe, are being transferred to the steamer Argentina.

WEATHER INDICATIONS AND TEMPERATURES

Illinois:—Unsettled weather Wednesday and Thursday; probably showers Thursday and in north portion Wednesday; not much change in temperature.

Temperatures

The current, maximum and minimum temperatures as recorded Tuesday were:

Jacksonville, Ill., 56 57 47
Boston 58 66 46
Buffalo 54 66 44
New York 54 66 44
New Orleans 70 80 76
Chicago 52 61 42
Detroit 50 59 42
Omaha 58 68 42
Minneapolis 53 60 40
Helena 38 48 40
San Francisco 64 66 40

SENATE PASSES NEW ARMY BILL BY 46 TO 10 VOTE

Measure Now Goes to
Conference for Final
Action

FEW CHANGES
ARE MADE

Washington, April 20.—The army re-organization bill was passed today by the senate and now goes to conference.

The measure provides for a regular army of 297,000 officers and men, a national guard of 425,000, and a voluntary system of military training for young men between the ages of 18 and 21 years. The vote on the bill was 46 to 10.

Twenty-four Republicans were joined by 22 Democrats in supporting the bill. Before the vote, Senator Reed, Democrat, Missouri, said to the senate he had intended to make a final effort to have the size of the regular army authorized by the bill reduced materially, but that he realized such an effort would be useless.

"I predict that it will not be many months before it will be discovered that the sentiment of the people is against Prussianism," he said.

Senator Reed said the country could not afford to maintain such a military establishment as is proposed.

Except for the provisions fixing the size of the regular army and the additional guard, the senate and house measures are widely different. The house bill authorized a regular army of 299,000 men and 17,832 officers, while the senate measure provides for 280,000 enlisted men and 17,042 officers.

Universal military training promises the principal obstacle for the senate and house conferees. The house bill made no provision for training, leaders there planning to bring out a separate training measure.

In the senate measure provision is made for four months' training, after January 1, 1922. Enlistment in the national reserve or national guard is optional, but not compulsory, upon conclusion of training.

Under both the senate and house bills the national guard would consist of 800 men and officers for each member of congress, and be supported by the federal government, altho under "direct" orders of the government of the several states.

Provisions in the senate bill for gradual reduction of the regular army to about 200,000 men in five years were eliminated by the senate after substitution of the voluntary for the compulsory training system. A plan for graduated reduction of the regular establishment is contained in the house bill, however.

Both senate and house bills provide for radical revision of the army general staff and war department bureaus. The general staff would be smaller under the senate plan than under the house provision. The senate bill authorizes separate finance construction, transportation chemical warfare and aviation service and also establishes the army nurse, dental, veterinary and chaplain's corps.

A higher court has ruled that the federal trade commission has no authority to compel mining companies to make reports of their operations costs or to present other facts relative to the operation of their business. Nobody will feel especially sorrowful over this finding, for the federal trade commission of the mining industry has at no time been helpful to the consumer.

PUTTING THE LEAGUE UP TO THE PEOPLE

President Wilson certainly cannot find much consolation in the remarkable showing that Senator Johnson is making in the state primaries. The president has often threatened the senate with "taking the league of nations to the people." In the strength that the California senator is showing,

the president can certainly read nothing but disapproval of the league plan.

No wonder the south is prosperous and the cotton industry booming. One cotton mill recently declared a stock dividend of 300 per cent.

Dr. Nicholas Murray Butler, president of Columbia university, is said to be a tentative candidate for the Republican presidential nomination. Dr. Butler has the present handicap of holding office as a college president.

However, he can lay claim to long identity with the party and prominence in party councils because he has long been an important factor in the building of national platforms. He is a big able man and if he can prove to the convention that he is not a biased academician he may have a dark horse chance.

DEMOCRACY AMONG HIGH SCHOOL STUDENTS

Out in Colorado Springs they have a high school directed by a board of education with Democratic ideas that are real. A recent rule forbids students from driving automobiles to the school building and leaving the machines parked there.

The board holds that where children of the rich, middle and poorer classes are assembled in school on a common level that the use of the cars promotes snobishness.

Another rule limits the amount of money that each girl senior

may expend for her graduating gown. There is a lot of good sense in these and other rules that the western school has adopted.

AS GOOD AS GOLD

Secretary Houston is opposed to the plan whereby a refunding bond issue would be authorized with the purpose in view of stabilizing the market on Liberty bonds. The secretary takes the ground that no investor will lose if he continues to hold his Liberty bonds and that the government is not responsible if the holder yielding to stress or necessity, decides to sell and take a loss.

Theoretically Mr. Houston is right but he has not taken into account the fact that thousands of citizens in the war time strained themselves beyond their financial worth in buying bonds. They were told it was their patriotic duty and that a bond of the U. S. is as "good as gold." So many of these holders of bonds who had never made purchases of the kind before, understood nothing of the fluctuations of the bond market. All they do understand is that the promise they thought the government was making them is not being kept and that paper they thought had as certain value as bank notes is worth much less than they paid for it, and the market continues to descend.

THE STEEL CORPORATION STAND

The announcement of the U. S. Steel corporation that it does not propose to raise the price of raw steel although it has governmental authority for such an increase will certainly attract attention in the business world. If some of the great corporations will only follow the same course and as plainly seek to set an example to the profiteers, something worth while can be accomplished in the great cause of bringing down living costs. The steel corporation has kept the price at \$2.45 per hundred lbs. mill, whereas a number of other steel concerns have been quoting a price as high as \$4 per hundred. In some quarters there has been an effort to show that this

difference in price indicated a war among the manufacturers and that the U. S. Steel corporation was seeking to put others out of business. But the straightforward statement made by Judge Gary as the president of the corporation puts an end to that theory and gives proof to the statement quite often made that the steel corporation is a business concern with a conscience.

STILL WORKING TOGETHER

The vote in the city election yesterday was as heavy as could reasonably be expected with a contest in only one ward. Aldermen Flynn, Williamson, Cain and Chapin were re-elected, the people giving their stamp of approval to the service that these men have given the city as members of the city council during the past year.

Had there been general contests it is safe to say that a much larger vote would have been cast and large majorities recorded for the four aldermen. The sentiment was very largely in favor of the bond issue. In this instance too, if there had been a feeling that the bond issue was in danger, a much heavier vote would have been cast. It is safe to say that the great majority of the people are heartily in accord with the plan for finishing the filtration plant and for putting the power plant into working condition.

This same majority has full confidence in the ability of the council to handle public affairs in the interest of the whole people. After the year's record the administration is fortunate in finding itself still in favor and it is a matter for general congratulation that the people of Jacksonville today without party distinction are working with the officials who represent them.

Seemingly the people have come to understand that it is by this working together program that the city must move forward if any progress is made. The Tuesday election was a non-partisan endorsement of the administration and will inspire the mayor and aldermen with the desire to be of still further service to the city.

Rippling Rhymes By Walt Mason

LEAN AND FAT

The lean man when he'd gain in weight, will find the process quite a treat; he is indeed a lucky skate, for all the good things he may eat. His bill of fare may be a scream, no tempting grub he must eschew, and he may flood his works with cream, and eat mince pies and doughnuts, too. But when a fat man is inclined to lose a ton or so of lard, the process is a dreary dreary grind, the sledding is extremely hard. For him the busy housewife bakes a sickly loaf of sawdust bread; for him there are no luscious cakes, but he must eat bran mash instead. If he would take a midday snooze, he hears the learned physician say, "Be active, if your grease you'd lose, and walk four hundred miles a day. Your fat increases while you sleep, it gains when you're sitting down; go forth, go forth and walk a heap and circumnavigate the town. The fat man starves and toils and grunts, and when he goes down town to weigh and note results of all his stunts, he finds he's gained eight pounds a day. Then he goes back to living well, consuming pies and pork and beef, and all the neighbors laugh and yell, and make his life a long-drawn grief."

OLD JACKSONVILLE

Some Presbyterianism

By Ensley Moore
(Member Illinois State Historical Society)

The Methodist Episcopal church has the honor of being the first denomination to organize in Jacksonville, or rather when Jacksonville came to be.

But the Presbyterian was the first organized in the village, after it was laid out. Jacksonville began in 1825, and John Brich organized the "First Presbyterian church of Morgan County" afterwards changed to "Jacksonville" on June 30th, 1827. Morgan County then included what is now Cass and Scott counties. It may be of interest to others as well as to Presbyterians to know something of the early general history of their church in this region.

Church Government.

The first unit of government in the church is the Session; elders and pastor or supply, of each local body. Then comes the Presbytery, covering several counties in a state. But the Presbytery is a stronger and more important part of the church machinery than the Synod, which includes each state. This latter is a judicial, rather than governing, part of the organism. Above this, and all other parts of the church, is now the "General Assembly of the Presbyterian Church in the United States of America." This meets once a year, in May and the Synod in the Fall, while the Presbyteries meet in Spring and Fall sessions, regularly. There can be duly called special meetings of the latter.

The Presbytery of Missouri had first Jurisdiction over this part of Illinois. But the Synod of Indiana had control of most of the churches in Illinois, in the southern part of the state, before the Missouri Presbytery. Some of these churches belonged to the Presbytery of Muhlenberg, of Kentucky.

Before January 9, 1829, there was no Presbytery lying wholly in Illinois.

The Synod of Indiana at its session in Vincennes, Oct. 16, 1828, passed an ordinance, beginning: "That a new Presbytery be formed to be called the center Presbytery of Illinois, the bounds of which shall be the lines of the state; * * * to hold its first meeting at Kaskaskia on the second Friday in January, 1829 * * *". At that meeting there were present: Ministers John Mat-

MORTON SCHOOL BENEFIT

In spite of threatening weather the auditorium of the Franklin school was filled on Monday evening by a very appreciative audience who had assembled to enjoy a program given for the benefit of the Morton school.

About forty-five dollars was realized and will be used in the purchase of a scales and other incidentals needed in the school. The following program was ably rendered and was greatly enjoyed by all.

Selections—Jazz Orchestra.

Selections—Quartette: Albert Strausser, Charles Cobb, John Roach and William Roach.

Readings—Marceline Armstrong.

Group of Songs—Mrs. H. C. Woltman.

Memory Test—Elsie Bown.

Group of Songs—Albert Strausser.

G. M. Trout, the Type-writer and Adding Machine expert will be home a few days only. Call 654.

AN APPRECIATION

The splendid vote that I received in the election yesterday, I believe was meant as one of confidence, and is most deeply and sincerely appreciated. Yesterday can be interpreted only in one way—that the public is in full accord with the present city administration, and intends that nothing shall be done to hinder the work now in hand, nor to disrupt the plans made for the benefit of our city.

JOHN D. CAIN.

THE CAUSE OF DISEASE

Modern science, which is always studying cause and effect, has demonstrated that disease in adults and improper development and sickness in children are the results of faulty nerve action due to spinal defects. The bones of the spine press on the nerves and interfere with the distribution of energy throughout the body. A correction of these defects restores uninterrupted nerve force and invariably results in the return of health.

CHIROPRACTIC (KI-RO-PRAK-TIC)

is the science that has demonstrated this connection between disease and defective spines. For years, and in the face of bitter criticism and strong opposition, Chiropractors have been adjusting the defects in spines to remove the cause of disease. Wonderful results have been obtained, even in cases that were considered incurable. Everywhere there are people who have been greatly helped by

CHIROPRACTIC THE BETTER WAY TO HEALTH

Those who are not in health, who are not strong and well; who are nervous; fagged out; inefficient; and who feel they need to be recharged with vital energy, will no doubt find relief thru spinal adjustments. You owe it to yourself, your family and friends to investigate Chiropractic.

NUXATED IRON
DRIVING FORCE
BEHIND KEEN SUCCESSFUL
MEN AND WOMEN

When you think of the successful men and women you know—people who are doing things worth while—you will find that they possess energy, vim and energy—kind that simply brims when the blood is rich with iron. Nuxated iron by enriching the blood and creating new blood cells, strengthens the nerves, rebuilds weakened tissues and helps to instill renewed energy into the whole system. Three million people use it annually as a tonic, strength builder.

MAKE THIS TEST

See how long you can work or how far you can go without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day for meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have most astonishingly increased their strength and endurance only by taking iron in the proper form.

Deaths

Kinney.

Paul Edward Kinney died at the family home, 1322 South East street at 6 o'clock Tuesday morning. Deceased was the son of Lloyd and Ruth Bond Kinney and was born May 19, 1919. The parents survive. Funeral services will be held from the Gillham undertaking parlors at 2:30 o'clock this afternoon in charge of the Rev. Myron L. Pontius, pastor of Central Christian church.

Dunkle.

George B. Dunkle died at 2:30 o'clock Tuesday afternoon at a local hospital. The remains were removed to Reynolds mortuary and prepared for shipment to Pleasant Plains, Ill.

The deceased was born and raised near Pleasant Plains. He

was thirty two years old at the time of his death.

Left to survive him are his parents, Mr. and Mrs. D. A. Dunkle, his widow, two sons, Harold and Dwight, two brothers, Samuel and William, all of Pleasant Plains, and one sister, Mrs. Cora Smith, of Greely, Colo.

The family is awaiting word from Mrs. Smith before making final arrangements for the funeral.

Shewmaker.

Henry Shewmaker died Tuesday afternoon at a local hospital, the body was removed to Reynolds Mortuary and prepared for burial.

The deceased was born in Morgan county sixty six years ago and has spent his entire life in Morgan and Scott county, most of the time living in Manchester.

Mr. Shewmaker leaves to survive him, three brothers, Samuel, James and Harvey, all of Roodhouse, and five children, Elmer

L., of Jacksonville, Walter, of Manchester, Mrs. W. B. Crabtree, of Roodhouse, Mrs. Pearl Jones, of Roodhouse, and Mrs. William Bacon of Murrayville.

The funeral arrangements have not been completed.

Angelo.

Dempsey Sylvester Angelo passed away at his home, 331 Fulton street, at 1 o'clock Tuesday morning.

Deceased was the son of Robert and Rebecca Britton Angelo and was born at Lynnville, November 13, 1851.

He was united in marriage to Miss Olive Lawson at Murrayville in 1875. Besides his widow he is survived by the following children: Mrs. Frank Baker, Jacksonville; Mrs. Mack Chardon, Winchester; Mrs. Joseph Souza, Jacksonville; Mrs. Ralph Carter, Franklin, and Leonard Angelo of Jacksonville. Two children, Mrs. William Whorton and Lee Angelo preceded him in death.

He also leaves one brother, William Angelo and two sisters, Mrs. Emma Lawson and Mrs. David Gusby, all of Winchester, and eighteen grandchildren.

Mr. Angelo was a member of the Baptist church in Winchester and well regarded by all who knew him.

Funeral services will be held from the residence, 331 Fulton street at 2:30 o'clock Thursday afternoon. Burial will be in Jacksonville cemetery.

Dear Sir:—

I received your notice dated the 17th, covering a tax payable on my Paige auto, with application for registration blank attached, giving classifications and amounts of taxes payable on the various classes.

While I am a non-resident of the city, for the good cause, I am very glad indeed to enclose you check to your order for five dollars, covering the license fee on my auto under Class F.

Find enclosed also application for registration blank duly filled out.

Very truly yours,

Harry M. Capps.

WILL GIVE BENEFIT CONCERT FOR TRINITY

The women of Trinity church have announced a benefit concert to be given May 5 in Music hall at Illinois Woman's college. The proceeds will be for the benefit of the woman's building fund.

President Barker of the Woman's college placed the musical talent of the college and the hall at the disposal of the women without charge. The list of college musicians will be augmented by several residents in Jacksonville and an extensive and notable program is being arranged.

A CORRECTION

In an article appearing in Tuesday's Journal, regarding the winning of one dollar's worth of tickets by Felix Farrell, Jr., the name of the Grand theater was omitted, making it appear that the Journal was issuing these tickets. They are being given by the Grand theater for the discovery of misspelled words in their programs.

Surprise Party at Lynnville.

About forty friends and neighbors dropped in for a surprise party at the new home of Mr. and Mrs. Carl May in Lynnville last evening.

The evening was most enjoyable spent in playing progressive Rook and with music.

Dainty refreshments were served and every one had a pleasant evening.

Walter Ayers has gone to Denver to attending the funeral of his sister, Mrs. Effie Kaine.

WILL REDUCE ITALIAN ARMY

Rome, April 20.—A decree was issued today providing for the reduction of the Italian army to ten army corps. Reduction in the number of officers and the establishment of a uniform system of recruiting for eight months service are provided for.

WOMAN'S COLLEGE NOTES

Miss Beatrice Hasenstab, of Chicago, is spending a few days visiting her sister, Constance, at the Illinois Woman's College.

Mrs. W. W. Deatheridge, of Auburn, is visiting for a few days with her daughter, Marjory, who is a student at the Illinois Woman's College. She was present Monday evening at the Wesley Mather contest in expression in which her daughter won second place.

PAYING VEHICLE TAX PROMPTLY

Quick Response Made to Notices From Police Department—Non-Residents Joining In.

The work of collecting the special vehicle tax is proceeding satisfactorily in the police department. As noted yesterday, there have been a number of instances wherein persons not subject to the tax have made payment because of their wish to join in creating this fund, which is for the maintenance of the highways.

The lists of car owners as rapidly as license numbers are taken out, are sent thru the office of the secretary of state to the police department. The addresses given do not classify residents of the city limits, or those who are living adjacent to the city in other directions, and so it happens that notices have been sent to a number of car owners who do not live within the city limits.

A case in point happened yesterday, when Chief of Police Kiloran received a letter from Harry M. Capps, enclosing \$5 in payment of a license fee. Mr. Capps lives on Mound avenue, outside the city limits. Edward M. Dunlap, who lives on Finley street, outside the city limits, sent him a check with a statement: "I want to pay this license fee, even if I do live outside the city limits."

Mr. Capps' letter is printed because it is typical:

Dear Sir:—

I received your notice dated the 17th, covering a tax payable on my Paige auto, with application for registration blank attached, giving classifications and amounts of taxes payable on the various classes.

While I am a non-resident of the city, for the good cause, I am very glad indeed to enclose you check to your order for five dollars, covering the license fee on my auto under Class F.

Find enclosed also application for registration blank duly filled out.

Very truly yours,

Harry M. Capps.

WILL GIVE BENEFIT CONCERT FOR TRINITY

The women of Trinity church have announced a benefit concert to be given May 5 in Music hall at Illinois Woman's college. The proceeds will be for the benefit of the woman's building fund.

President Barker of the Woman's college placed the musical talent of the college and the hall at the disposal of the women without charge. The list of college musicians will be augmented by several residents in Jacksonville and an extensive and notable program is being arranged.

A CORRECTION

In an article appearing in Tuesday's Journal, regarding the winning of one dollar's worth of tickets by Felix Farrell, Jr., the name of the Grand theater was omitted, making it appear that the Journal was issuing these tickets. They are being given by the Grand theater for the discovery of misspelled words in their programs.

Surprise Party at Lynnville.

About forty friends and neighbors dropped in for a surprise party at the new home of Mr. and Mrs. Carl May in Lynnville last evening.

The evening was most enjoyable spent in playing progressive Rook and with music.

Dainty refreshments were served and every one had a pleasant evening.

Walter Ayers has gone to Denver to attending the funeral of his sister, Mrs. Effie Kaine.

WILL REDUCE ITALIAN ARMY

Rome, April 20.—A decree was issued today providing for the reduction of the Italian army to ten army corps. Reduction in the number of officers and the establishment of a uniform system of recruiting for eight months service are provided for.

BOND PROPOSAL HEAVILY ENDORSED

Carried by Vote of 1726 to 261 at Tuesday Election—All Councilmen Candidates are Re-Elected.

Districts	For	Against
No. 1.....	64	34
No. 2.....	59	37
No. 3.....	52	10
No. 4.....	47	15
No. 5.....	35	11
No. 6.....	69	37
No. 7.....	40	26
No. 8.....	58	42
No. 9.....	86	87
No. 10.....	32	12
No. 11.....	34	56
No. 12.....	46	8
No. 13.....	131	85
No. 14.....	102	96
No. 15.....	103	72
No. 16.....	85	55
Totals.....	1043	683

Grand Totals 1726 261

In the regular city election yesterday the people of Jacksonville re-elected the aldermen in the four wards whose one year term will soon expire. They are as follows:

First ward—Alderman Flynn.

Second ward—Alderman Williamson.

Third ward—Alderman Cain.

Fourth ward—Alderman Chapin.

All were re-elected without opposition except in the third ward where Alderman Cain had as his opponent C. A. Osborne, an 11th ward candidate on the Democratic ticket.

The people went on record as strongly in favor of the bond issue, the vote being 1726 for and 261 against. In every one of the 16 precincts of the city both men and women declared in favor of the bond issue whereby the filtration and power plants can be completed.

The unofficial returns of the aldermanic vote are as follows:

First Ward

Flynn—

Precinct No. 1—Men, 79; women, 45.

Precinct No. 2—Men, 67; women, 43.

Precinct No. 3—Men, 53; women, 41.

Total—298.

Second Ward

Williamson—

Precinct No. 4—Men, 36; women, 12.

Precinct No. 5—Men, 48; women, 12.

Precinct No. 6—Men, 78; women, 36.

Precinct No. 7—Men, 44; women, 24.

Total—290.

Third Ward

Cain—

Precinct No. 13—Men, 95; women, 68.

Precinct No. 14—Men, 90; women, 101.

Precinct No. 15—Men, 89; women, 72.

Precinct No. 16—Men, 72; women, 49.

Total—636.

Osborne—

Precinct No. 13—Men, 36; women, 35.

Precinct No. 14—Men, 10; women, 6.

Precinct No. 15—Men, 19; women, 9.

Precinct No. 16—Men, 16; women, 10.

Total—141.

Fourth Ward

Chapin—

Precinct No. 8—Men, 58; women, 42.

Precinct No. 9—Men, 88; women, 86.

Precinct No. 10—Men, 34; women, 15.

Precinct No. 11—Men, 33; women, 40.

Precinct No. 12—Men, 45; women, 11.

Total—452.

Meredosia, April 19.—The election in the village of Meredosia carried into office H. C. Berger for village clerk and S. G. Allen, Robert Mays and S. W. Payne, village trustees.

Citizens Party

Village Trustee—J. A. Hildebrand, 55; D. C. Heffner, 53; S. G. Allen, 70.

Clerk—H. C. Berger, 73.

Progressive Party

Village Trustee—Clarence Brown, 45.

Independent Party

Village Trustee—Robert Mays, 68; S. W. Payne, 84.

Clerk—Julian Shannon, 65.

Results at Murrayville.

Murrayville, April 20.—At the regular village election held today, J. E. Thompson was elected president of the village board, on the Citizens' ticket, getting 171 votes. Reese Jones was elected trustee to fill the unexpired term of William W. Swell, who moved from the village. Other officers are:

Citizens—City clerk, Fred Still, 120. Trustees, Samuel Jones, 102; C. R. Short, 112; J. W. Wright, 142.

Peoples—Trustees, Harry Cade, 75; Oliver Beadles, 73; J. W. Warcup, 40; H. E. Millon, 73.

South Jacksonville Results.

South Jacksonville elected a clerk and three trustees at the regular election held Tuesday. E. E. Beasly was re-elected clerk without opposition, receiving 58 mens and 44 womens votes. R. R. Coultas was elected police magistrate. However, no one has ever qualified for this office and it is not likely Mr. Coultas will do so. The vote on trustees follows:

O. H. Burhman—Men, 57; women, 46.

W. W. Barr—Men, 47; women, 38.

James McGinnis—Men, 57; women, 45.

John Godfrey—Men, 15; women, 15.

Waverly Held Election.

Waverly, April 20.—The city of Waverly elected three aldermen at the election held today. In the First ward, F. E. Deatherage, Democrat, was elected with 34 votes. George Alderson,

REINFORCEMENTS FOR CARRANZA FORCES

JUAREZ, April 20.—The 1,200 Mexican federal troops which arrived here Monday to join the Carranza forces massing for the drive against Sonora left here by rail today for Casas Grandes, Chihuahua, the mobilization point. General Francisco Ubaldo commands the troops.

Troops Reported Trapped

Nogales, Ariz., April 20.—General Angel Flores and his invading command of Sonora state troops are trapped in Culiacan, capital of Sinaloa, by federal forces according to a report given out by Carranza adherents here today. The report was unconfirmed.

No Objection to Passage

Phoenix, Ariz., April 20.—In line with a request from Secretary of State Colby, Governor Campbell today telegraphed the state department that the state of Arizona had no objection to the passage from Nogales, Arizona to El Paso, Texas, of the Mexican generals, Juan Jose Rios and Manuel Gamboa, with their staffs of about 35 persons enroute from Sonora to Mexico City.

COMMISSION FORM WINS

Aurora, Ill., April 20.—The commission form of government plan was carried in today's election here by a vote of 3,416 to 2,371. A bond issue for a public swimming pool was voted 4,052 to 2,051.

ARE FOR LOWDEN

At the annual spring reunion and picnic of the former residents of Illinois now making their homes in Los Angeles, Calif., and which was held last week in that western metropolis, there was registered from Morgan county thirty one. The badges, worn were by white silk ribbon two inches in width and bearing the legend "Hello Sucker." Greetings from "Another," welcome to our Jolly Reunion. A neat pin button upon which was the picture of the present Governor of Illinois was used to attach the badge to the wearer and around the face of the button were printed "Lowden for President."

L. E. MILLIGAN WILL BE FILED

The will of the late Lawrence E. Milligan has been filed for record in the office of County Clerk G. L. Riggs. The will was drawn Jan. 18, 1913, with E. G. Brown and J. W. McCullough of Berkeley, Calif., as the witnesses.

The testator left all of his property to his wife, Katherine Milligan, and his sister, Dr. Josephine Milligan, to be held in trust by them. The necessary family expenses are to be paid and subsequently to the death of the trustees, who are also named executors, and when the youngest child has become of legal age, the property is to be divided. The executors are given full authority to sell real estate and to use either the principal or interest for expenditures which they may deem wise.

See "SOLDIERS OF FORTUNE" at Rialto Theater, Friday and Saturday only.

With the Sick

Master Mercer Hopper of West Lafayette avenue is suffering with an infection of the eye.

Mrs. Stella Spain is a patient at Our Savior's hospital. She underwent an operation for appendicitis Tuesday and is doing nicely.

STUDENT CANVASS OF CITY FOR ILLINOIS COLLEGE

The students of Illinois College will canvass the city today in an effort to reach every friend of the college who has not yet contributed to the financial campaign. The students will work in pairs on assigned streets, and will canvass from house to house. It is hoped that the canvass can be completed in one day.

In a statement made public Tuesday, President Rammelkamp urged that the solicitors be well received in the name of Old Illinois.

The students of the college have pledged themselves on an average of fifty dollars each to the fund.

REINFORCEMENTS FOR CARRANZA FORCES

DELAWARE TEAM
WORKED AT QUINCY

Local Team Conferred Degrees on Class of Over 100 Pale Faces—Team Was Given Enthusiastic Reception.

One hundred and six candidates were initiated at Quincy Monday night by the degree team of Delaware Tribe No. 78 Improved Order of Red Men.

The work was conferred in the gymnasium of the Lutheran church of that city and was witnessed by visiting Red Men from many cities in Illinois and Missouri.

Among the great chiefs present were: Great Sachem Kapps, Great Junior Sagamore Adams and Great Chief of Records Whitmer. The Great Sachem from the reservation of Missouri also was present.

A number of members of the team went to Quincy on the early train Monday taking the paraphernalia used by the team for work away from home. This was in place when the remainder of the team arrived in Quincy on the afternoon train.

Upon the arrival of the team in Quincy they were met at the train by members of the Quincy tribe and taken for an automobile ride over the city. The work followed. Then came a banquet and speech.

A TEXAS WONDER

For kidney and bladder troubles, gravel, weak and lame back, rheumatism and irregularities of the kidneys, if not sold by your druggist, by mail, \$1.25. Small bottle often cures. Send for sworn testimonials. Dr. E. W. Hall, 228 Olive St., St. Louis, Mo. Sold by all druggists.—Adv.

COACH HARMON HOME
FROM PEORIA MEETING

Says All of Schools in New Conference Will Take Part in the Track Meet — Expects All Schools To Be in Conference at Early Date.

Coach W. T. Harmon returned yesterday from Peoria, where he attended the conference of Illinois minor colleges which organized a new conference.

Every school in old Little Nineteen conference joined, except Shurtleff, McKendree and Lincoln. However, Coach Harmon said last night that he believed these schools would soon become members.

Coach Harmon opposed the proposition of allowing the new schools to compete in the annual track and field meet to be held in Peoria. He took the stand that the new conference should begin to function at the beginning of the new school year.

However, the other schools did not seem to care much, and the new schools will take part in the meet. A two-mile race was also added to the list of events. Harmon opposed this on the ground that the Little Nineteen had never had such a race on its card, and he believed it would be impossible to train men for such a race in a few weeks' time.

With Monmouth and Knox in the track meet, it throws most of the dope up in the air. Both these schools always have strong teams. It looks like there will be such a scattering of points that almost anything is likely to happen.

However, Illinois is going to the meet full of confidence. If the men can get an opportunity to get out and work, the team is as well balanced one and should be able to hold its own with either Knox or Monmouth. A line will be secured on Knox thru its dual meet with Millikin, which will take place soon.

Attention Eagles
Important meeting Wednesday, April 21. Nomination of officers. Other important business.

H. E. Johnson, W. P. F. D. Kelly, Sec. Pro Tem.

A MODEL ESTABLISHMENT
A recent number of the Outlook contains an extended account of the Endicott Johnson Shoe Company of New York state and surely it is a model establishment. There are 12,000 employees and they are, like the Stetson Hat Manufacturing Co., much like one great family. There are no rules against any one belonging to a union but the article says that a prominent union organizer closely inspected the establishment and its workings and informed the management that he didn't see how he could better conditions.

It is claimed that the men average a pair of shoes a day more than is averaged in other establishments. The tannery department does a business of \$20,000,000 a year and the shoe output is enormous. Many devices and enterprises are maintained for the comfort and welfare of the men and now the great object is more dwelling houses for them. At the cafeteria the reporter joined the procession of workmen and secured a very satisfying meal for fifteen cents. Aged workmen are pensioned and many devices are used for the betterment of the men who share the profits of the concern and all seem contented. They have access to the management at any time and once when the speaker of a group asked for a higher wage the others told him his figures were to high so a satisfactory compromise was reached.

Just received
PATHE RECORDS FOR MAY
PEOPLE'S FURN. CO.

SOME OTHER BAD SEASONS
While the present season has been very unfavorable for farming business it is not the only unseasonable year. W. H. Jordan says he well remembers the year 1860 when there was frost each month of the entire year. He heard Richard J. Oglesby make a Fourth of July speech, wearing an overcoat and men went into the harvest fields with coats on.

Mr. Jordan said he took a four horse team and hauled from Mac county sixty bushels of wheat for this county for seed. When he reached the Sangamon river near Mechanicsburg it was very high and several were watching to see if he would get cross. He said he looked for the tops of weeds and decided as long as he could see them he was safe and so he was.

That was the year when Abraham Lincoln first ran for president and while Mr. Jordan wasn't old enough to vote he did a good lot of hurrahing for the grand man of Illinois.

In 1859 there was a June frost in a large portion of Ohio and continuous territory which caught the wheat crop in the milk and ruined a large portion of it. Fields on barren uplands generally escaped but others were badly used up.

In August, 1863 there was a killing frost in many middle states.

AMERICAN LEGION HAS
ENJOYABLE MEETING

Heard address by Rev. M. L. Pontius — Mason and Mason Appearing at Grand Also Entertained Members.

Jacksonville Post, No. 279, American Legion, held an enjoyable meeting Tuesday evening. There was a large attendance of members.

M. L. Pontius made an able address, which was heard with close interest by the members. Sixteen members were received, which brings the total membership to over 400.

The post voted to send a donation to National Headquarters, to be used in decorating the graves of soldiers who died in France. Each post is making a donation for this purpose and private individuals are also making donations. The graves will be decorated on May 30.

May 1 has been set aside as he day on which ministers will preach sermons on Americanism. This united effort is especially for the benefit of recently naturalized citizens, tho it will not be missed for all citizens to again dedicate themselves to American principles.

Raymond A. Dreyer, representing the John B. Rogers Productions company, was present at the meeting and made arrangements for the production of Katcha-Koo by home talent under the auspices of the post. The production will be given May 19 and 20, and it is expected to be one of the best ever seen.

Following the business session and Mr. Pontius' address, Mason and Mason, who are appearing at the Grand, gave the members some splendid numbers. They received a hearty vote of thanks.

Until further notice the
PEACOCK INN will close
every night, except Saturday
at 8 p. m.

The Wednesday Class will meet with Mrs. Frank Elliott. Mrs. J. L. Bradley of Centralia is visiting at the home of Mrs. John O'Brien of East Lafayette avenue.

What a Brogue Is

A brogue is a shoe whose upper is decorated. Full decorations make this oxford a full brogue. Full brogues are the thing this Spring, but that wing-tip isn't just for show. It supports the upper where side-strain comes, keeps it from bulging over the welt. You'll be strong for this oxford's handsome welt-stitching. A Walk-Over—made by the makers of the best welt shoes in the world. Let us fit you to full value.

HOPPER'S

EDWARD MALLORY PASSED AWAY TUESDAY

Well Known Colored Citizen Answers Final Summons — Was Known Thruout United States in Theatrical World — Funeral Arrangements Not Yet Made.

Edward Mallory, one of Jacksonville's best known colored citizens, died at his home on South Main street at 2 o'clock Tuesday afternoon. He had been in poor health for over two years and for some weeks past had been falling rapidly.

Deceased was the son of the late James Mallory and was born in Paris, Mo., 55 years ago. He came to this city with his parents when a child and this city has since been his home.

May 27, 1899, Mr. Mallory was united in marriage to Miss Mazie Brooks, who survived, together with the following children, Mrs. Blanche Mallory Williams, Chicago; Arena, Edward and Frank, all of this city. He also leaves five sisters and two brothers, Mrs. Pauline Moore, Jacksonville; Mrs. Jane Mason, Jackson, Miss.; Mrs. Ella Stanford, Peoria; Mrs. Amelia Sharpe and Mrs. Emma Williams, Jacksonville; James and William Mallory, Kansas City.

Early in life Ed. Mallory and his brother, Frank, gave evidence of unusual musical and histrionic talent. They were both accomplished musicians and could play almost any musical instrument, besides being good singers and dancers.

In 1881 they joined Richard and Pringle's Famous Georgia minstrels. After a few years with this company they took out a minstrel show of their own. They then became associated with the Calender Minstrels.

By this time the fame of Mallory Brothers had become known thruout the United States. Sam T. Jack, of Chicago, organized the famous Creoles, and they joined that company. Then followed an engagement with John W. Isham's Octoroons.

While with this company they played at the Grand Opera house in the season of 1897. They then joined the Williams & Walker company, which was undoubtedly the best colored organization ever gotten together.

This company also played an engagement here. At this time Mallory Brothers and Brooks (Mrs. Edward Mallory) were doing a musical turn which was one of the features of the show.

After leaving the Williams & Walker Co., they played for several years in vaudeville on the Keith, Orpheum and Proctor circuits. They had made arrangements to go to Europe for an extended stay when Mrs. Frank Mallory, known on the stage as Grace Halliday, was taken ill, compelling them to cancel the engagement and return to this city.

Retired From Stage. During their years of theatrical work Mallory Brothers, invested their earnings and acquired considerable real estate in this city. Fifteen years ago they retired from active theatrical work and engaged in business here.

They opened a store at 225 South Main street, where they bought and sold new and second hand goods. They have been most successful and have built up an excellent business and also commanded the respect and esteem of the business men of the city. Since the death of Frank Mallory, three years ago, Edward Mallory had conducted the business.

Mr. Mallory was a member of Mt. Emory Baptist church and was always active in the various phases of church work. Thru his efforts the Mt. Emory Brotherhood was organized and it is today one of the strongest forces for good in the church.

He was also a member of the Pythias Lodge, No. 2, of Chicago. He and his brother Frank organized Mallory Lodge, No. 30, of this city.

Mr. Mallory was a man of high ideals and was a citizen of whom the city might well be proud. He was always active in any movement tending toward the up-building of the community and gave freely of his time and talent in entertainments for charity work.

He was especially devoted to his family and found his greatest pleasure in providing for their comfort. True in his friendships, Mr. Mallory won and held the esteem and love of countless friends not only in his home city, but thruout the United States. News of his death will be received with general regret.

No arrangements have been made for the funeral.

MAY PATHE RECORDS now on hand PEOPLE'S FURN. CO.

A PLEASANT MEETING.

Mr. Archer, architect in charge of the erection of the soldiers' monument, is a worthy son of Bonnie Scotland, and yesterday morning a mutual acquaintance introduced to the gentleman Robert C. Smith of this city, also a native of the land of Robert Burns. The meeting indeed was very pleasant. Each told the part of Scotland from which he came and then began to discuss persons whom they both knew.

For some years Mr. Smith conducted a marble yard and made the acquaintance of a number of persons in that line in the great city and many of these Mr. Archer also knew and they had a pleasant time talking of the ones they knew.

Until further notice the PEACOCK INN will close every night, except Saturday at 8 p. m.

'OO LATE TO CLASSIFY

WANTED—Girl for general housework. Mrs. Ensley Moore, 4-21-tf

Social Events

Household Science Club Guests of Mrs. Frank Byrns. Mrs. Frank Byrns entertained the Household Science club yesterday afternoon at the Peacock Inn.

Mothers and Friends Hold Social.

The Mothers and Friends Association held a social yesterday afternoon at the home of Mrs. Frank Correa on West Walnut street.

The afternoon was pleasantly spent in playing games and with music. The hostesses served delightful refreshments during the afternoon.

Mesdames Frank Correa, Charles Roberts, Rat Fillman, and Charles Balsley were the hostesses.

Missionary Meeting at Mrs. James Kennedy's Home.

The Home Missionary Society of the Grace church met yesterday afternoon at the home of Mrs. James Kennedy on West Lafayette avenue.

The leader of the afternoon was Miss Elizabeth Groves and subject, "The Negro Work." Papers were read by Mesdames Cole, Cocking, Herald and Mason, on different phases of the subject.

The Mite boxes were collected and opened under the direction of Mrs. Berry.

Mesdames D. E. Kennedy, A. J. Ogram, Wheeler and U. G. Woodman were assistant hostesses.

Refreshments were served following the program.

Strawn's Crossing Woman's Club Met

Members of the Strawn's Crossing Woman's club met Tuesday afternoon with Mrs. Henry Strawn at her home on South Clay avenue. There was an unusually large attendance of members and a number of guests were also present. The president, Mrs. Frank Hunter, presided and in the absence of the secretary, Mrs. Eva Strawn read the minutes of the previous meeting.

An interesting paper on "The Successful Woman in the Business World," was read by Mrs. Frank Hunter. A pleasing part of the program was a group of piano numbers given by Mrs. Ernest Strawn. During the social hour which followed the program the hostess served delightful refreshments.

The next meeting of the club will be held with Mrs. Homer Cully on Tuesday, May 4.

PEOPLE'S FURN. CO. has just received the PATHE RECORDS for MAY CITY AND COUNTY

16 Million 438 Thousand Miles a Day

THIS is the potential mileage supplied daily to the people of the Middle West by the Standard Oil Company (Indiana).

In arriving at these figures we have taken ten miles per gallon as the performance of the average car, and multiplied it by 600,000,000, the number of gallons of gasoline marketed by this Company last year, and divided the result by 365.

The task confronting the Company is a dual one.

Not only must it maintain this flow of gasoline at all times, but it must so plan its activities as to keep pace with constantly increasing demand for fuel, whether this demand be normal or abnormal.

That, in a word, is the job of the Standard Oil Company (Indiana) and the Company is as big as its job.

Every resource, every ounce of energy, and all its equipment are at work to keep pace with the insistent demands for gasoline and other products.

The management recognizes its responsibility to the motorists of the 11 states the Company serves, and every effort is being made to meet this responsibility.

Standard Oil Company
(Indiana)
910 S. Michigan Ave., Chicago

D. A. R. INCORPORATION PAPERS ARE FILED

Articles of Incorporation of Rev. James Caldwell Chapter D. A. R. Filed in Circuit Clerk's Office—Purposes of Organization Set Forth.

Articles of Incorporation of Rev. James Caldwell Chapter D. A. R. have been filed at the office of Circuit Clerk C. W. Boston. The incorporators and directors are Miss Sarah Maria Fairbank, Mrs. Bessie McLaughlin Black, Mrs. Fannie Bancroft Weir, Mrs. Jennie Roach Capps, Miss Elie John Trabue.

The patriotic purposes of the organization are set forth in the following language: "To perpetuate the memory and spirit of the men and women who achieved American independence; by the acquisition and protection of historical spots and the erection of monuments; by the encourage-

DID NOT HAVE WELL DAY IN 12 YEARS

Mrs. Johnson Could Hardly Get About, But is Now in Splendid Health.

"My friends and neighbors say they never saw such a wonderful improvement in a person as they have in me since I started taking Tanlac," said Mrs. Elizabeth Johnson, 208 Reed avenue, Peoria, Ill., recently.

"For twelve years," continued Mrs. Johnson, "I don't believe any one ever suffered more from stomach trouble than I did. I was so badly run-down and in such poor health that every day was a day of misery and I can't recall the time in all these years when I was free from suffering until I started taking Tanlac. I had absolutely no appetite and practically lived on milk toast, but would suffer for hours after every mouthful I ate. Gas would form on my stomach and puff me up until I was in misery and cause my heart to palpitate so I would become deathly sick and turn as pale as a ghost. I also suffered with terribly dizzy spells, when everything would get in a whirl and I would have to sit down to keep from falling. My nerves would completely upset me and cause me to tremble like a leaf and break out all over with cold perspiration. It was impossible for me to get but little sleep, as I just rolled and tossed all night long and in the mornings I would be almost completely exhausted. I had lost so much weight and was so weak I could hardly get about at all and often I would have to stop my housework and lie down.

"I had tried so many different medicines without being benefited I had almost given up hope of ever getting any better, but my husband and I had been reading so much about the good Tanlac was doing others we thought it might be good for me to take. Well, the way I began to improve was simply remarkable. I commenced to sleep out all at night, and it was not long before I had such a splendid appetite I was hungry all the time. Now I eat just anything I want and everything agrees with me perfectly, my nerves are steady as a clock and I sleep fine every night. I have gained quite a lot in weight and have regained my strength so that my housework is actually a pleasure to me. In fact, I never felt better in my life. I am only too glad to give Tanlac the praise it deserves, for I certainly owe a great deal to it."

Tanlac is sold in Jacksonville by Coover & Shreve and by the leading drug store in every town.—Adv.

ment of historical research in relation to the revolution and the publication of its results; by the preservation of its documents and relics, and of the records of the individual services of Revolutionary soldiers and patriots, and by the promotions of celebrations of all patriotic anniversaries; to carry out the injunction of Washington in his farewell address to the American people, 'to promote, as an object of primary importance, institutions for the general diffusion of knowledge,' thus developing an enlightened public opinion and affording to young and old such advantages as shall develop in them the largest capacity for performing the duties of American citizens; to cherish, maintain and extend the institutions of American freedom; to foster true patriotism and love of country and to aid in securing for mankind all the blessings of liberty;" and expressly including objects and purposes related to matters transpiring subsequent to the Revolution and local in character and interest, that is to say: in like manner and by appropriate means similar to those above stated, to perpetuate the memory and spirit of the men and women identified with the development of Illinois, especially as related to the development of Morgan county as a community and as an integral part of the commonwealth and nation.

NOTICE TO OWNERS OF DOGS

The law now provides that the owners of dogs shall pay to the county assessor at the time of the annual assessment \$1 for each male dog and \$3 for each female dog owned. Please be prepared to comply with the law's requirement when the assessor calls.

GRANT GRAFF,
Supervisor of Assessments

John Virgin helped represent Woodson in the city yesterday.

"JUST ONE" DOES IT EVERY TIME

Only Laxative Tablets That Keep On Getting Action and Never Wear Out.

The new idea in laxatives. Twenty tablets in each box, all alike in appearance but entirely different in ingredients. Each tablet a full, correct dose of a laxative, different from any of the other nineteen.

Getting a Lot of Action. You can't take the same laxative twice in succession from a box of "Just One," because there's only one of each kind. You can't keep on pounding a single organ and neglecting the others as you do with ordinary laxatives. With just one tablet you get action through stimulation of the liver, next time through the pancreas, next the lower bowels and so on throughout the twenty. That's why their effectiveness never wears out—because you change laxatives with every dose.

It's plain common-sense. So get a box of "Just One" today. Any druggist anywhere can get "Just One" for you or we will send it postpaid upon receipt of 25c per box. Manufactured by Ferritone Chemical Co., Council Bluffs, Iowa.—Adv.

TO HOLD SIXTEENTH ANNUAL MEETING

National Tuberculosis Association to Convene at Hotel Statler, St. Louis — Dr. Milligan Member of National Board.

The sixteenth annual meeting of the National Tuberculosis Association will be held at Hotel Statler, St. Louis, Friday and Saturday of this week.

Dr. Josephine Milligan, of this city, is a member of the national board. Miss Katherine Olmstead, formerly anti-tuberculosis nurse in this city, is on the program.

Among the interesting papers are: Address of the president, Victor C. Vaughn, D.; report of historical committee, S. Adolph Knopf, M. D.; the Red Cross program for co-operation in public health nursing.

Miss Elizabeth G. Fox, director Red Cross Bureau of Public Health Nursing American Red Cross, Washington, D. C. Effective Co-operation in Public Health Nursing in Massachusetts, William J. Gallivan, M. D., Boston, director of Tuberculosis State Department of Public Health.

The Need of a Unified Nursing Service, Miss Katherine M. Olmstead, secretary of Western Office, National Association for Public Health Nursing, Chicago. Motion Picture, "An Equal Chance," produced and presented by National Organization for Public Health Nursing. In the Sociological section Thursday at 4 P. M. and Friday at 9:15 A. M., section on Public Health and Sociology, H. W. Hill, M. D., secretary Minnesota Public Health Association, St. Paul.

Possible Modifications in the Tuberculosis Program on the Basis of Recent Framingham Experience, Donald B. Armstrong, M. D. Some Findings in regard to the Economic Costs of Tuberculosis, Miss Jessamine S. Whitney, research secretary N. T. H., New York City.

Rehabilitation of Discharged Tuberculous Service Men, John W. Turner, M. D.

Friday, 9:15 A. M. Clinical Section, George Dock, M. D., chairman.

Differential Diagnosis, James Alexander Miller, M. D., New York.

Elimination of Tuberculosis from the Army, Major Ralph C. Watson, chief medical service, U. S. A., General Hospital No. 21, Denver.

"Climate," L. S. Peters, M. D., medical director, Saint Joseph Sanatorium, Albuquerque, New Mexico.

Friday, 2:00 P. M. Nursing Section.

Miss Edna L. Foley, Chicago, Chairman.

Occupational Therapy for Tuberculosis Patients, Miss Bertha Thompson, director occupational therapy, U. S. Public Health.

Friday evening and Saturday much time is given the modern health crusade, with songs, pageants and discussions.

Speakers from Oregon, Missouri, Iowa, Mississippi, Indiana, Arkansas, Alabama, Vermont, Colorado and Kansas will tell of the work in all its phases.

The public is cordially invited to attend the meetings and gain the information necessary to help in the world-wide fight against tuberculosis.

ATTENTION EAGLES
Important meeting Wednesday, April 21. Nomination of officers. Other important business.

H. E. Johnson, W. P. F. D. Kelly, Sec. Pro Tem.

WESTERNER VISITS OLD HOME IN SINCLAIR

Dr. W. W. Crane, of San Francisco, Renews Former Acquaintances — Teacher is Re-employed — Other Sinclair News.

Sinclair, April 20.—Dr. W. W. Crane, of San Francisco, Cal., was visiting his old home and friends in Sinclair for a few hours Saturday afternoon. He returned to Jacksonville on the evening train expecting to leave on the Alton "Hummer" for Chicago to visit his daughter, Catherine.

Mrs. J. H. Galtner is visiting her parents at Blatcher, Ind., for a few days.

Miss Ida Maddox, of Jacksonville, spent a day recently with Mrs. J. C. Swain and family.

J. E. Grimsley, of near Nortonville, has moved his family into the tenant house belonging to Arthur Swain, northeast of Sinclair.

The school board of District No. 39 has re-employed their present teacher, Charles Ausmus, for the coming term.

P. E. Naulty and Miss Helen Grouse slipped quietly away to Jacksonville last Wednesday, where they were married at 8 o'clock that evening by Rev. G. M. Wetzel. They will reside for the present on the J. M. Trotter farm, two miles north of Sinclair. Thursday evening they were given a charivari by the young people of the neighborhood.

On account of the bad condition of the county roads the railroad was well patronized from Sinclair Saturday.

T. U. Fox is still confined to his home, east of Sinclair. Mr. Fox is not gaining in strength as rapidly as might be hoped for.

ILLINOIS COLLEGE DRIVE

Give the student solicitors a hearty welcome when they call on you tomorrow. They will call on everybody who has not subscribed to the fund.

J. B. Corrington was in the city yesterday coming down from Peoria where he had been on business before going to his home north of Alexander.

Put Avicol in the drinking water.

HOW TO RAISE BABY CHICKS

Put Avicol in the drinking water.

Most people lose half of every hatch, and seem to expect it. Chick cholera or white diarrhoea is the trouble. The U. S. Government states that over half the chicks hatched die from this cause.

An Avicol tablet placed in the drinking water, will positively save your little chicks from all such diseases. Inside of 48 hours the sick ones will be as lively as crickets. Avicol keeps them healthy and makes them grow and develop.

Mrs. Vannie Thakery, R. F. D. 3, St. Paul, O., writes: "I had 30 chicks and they all died but 32. Then I commenced on Avicol and haven't lost any since. They have grown wonderfully."

It costs nothing to try Avicol. If you don't find that it prevents and promptly cures white diarrhoea, chick cholera and all bowel diseases of poultry, tell us and your money will be refunded by return mail. Avicol is sold by most druggists and poultry remedy dealers; or you can send 25c or 50c today for a package by mail postpaid. Burrell-Dugger Co., 598 Columbia Bldg., Indianapolis, Ind.

Rock Island No. 35, Bonanza Jr

Disc Harrow, one of the greatest improvements in disc harrow construction. This harrow in work stands alone. None better. It has double levers, coulters, steel discs and blades, oscillating scrapers, hard maple bearing boiled in oil. Angles at end instead of center allowing gangs to set different and overcome side draft, etc. It would take a book to tell you all the good points, so come in and let us show them to you. If not a disc maybe you need a planter, plows, harrows, cultivators, etc. Whatever it is see us. Get your millet, sweet clover, rape, sudan grass and all seeds here.

FOG HALTS SOX GAME

Chicago, April 20.—A heavy
fog which settled over Comiskey
Park today caused the calling of
the St. Louis-Chicago game in
the last half of the third inning.
Chicago was leading 1 to 0. It
was impossible to see the out-
fielders at the time the game was
called.

BREAKS SWIM RECORD

Honolulu, April 20.—Miss
Charlotte Boyle, of New York to-
day broke the women's Hawaiian
record for 220 yards which she
swam in three minutes 31.5 sec-
onds. Miss Boyle was second to
Miss Bleibrey in the 100 yard
free style and they swam a dead
heat in the 35 yards open race.
In the 220 yards Miss Bleibrey
was second.

Daily Market Report

SHORT INTERESTS

INFLUENCE STOCKS
New York, April 20.—The stock market was again largely under the influence of an aggressively confident short interest today.

In most quarters there was an evident disposition to attribute the further decline mainly to monetary conditions. Call money was comparatively easy, however, declining for its 8 per cent opening rate top during the mid-session.

Brokers with connections at Washington received news that the federal trade has declined in opposition to any relaxation of credits, advising that these be restricted to legitimate commercial and industrial enterprises. Local banking interests also advocated a reduction of speculative commitments, because of extensive new financing. The most vulnerable issues comprised steels, equipment oils, motors and their accessories, together with numerous specialties which are dependent upon the course of distinctive industries. Cross recessions in these issues extended from two to almost 20 points.

Little improvement was shown by the general list, several of the liberty issues making still lower records, with heaviness among international. Total sales (par value) aggregated \$14,250,000.

CORN CLOSES STRONG AFTER WEEK ENDING

Chicago, April 20.—Altho corn displayed considerable weakness today, the market advanced to the topmost level yet for May delivery. Bullish crop reports and renewed anxiety about the smallness of the amount of corn in store here had a good deal to do with the upturn. Prices closed nervous, 1/2 to 1 1/2c net higher, with May \$1.72 1/2 to \$1.73 1/4 and July \$1.66 1/2 to \$1.67 1/4. Oats gained 1/2 to 1c higher. In provisions the outcome varied from unchanged figures to 70c lower.

Commission houses apparently overreached themselves in pressing the bear side during the earlier trading. Until about midday the majority of dealers leaned to the view that bullish factors had been discounted. Then, however, sentiment changed, owing more or less to extremely pessimistic reports of a leading export authority regarding domestic wheat and oats. Simultaneously, gossip was reiterated that exports of wheat from Argentina were likely to be embargoed. Uncertainty about railway traffic conditions, especially car service west, gave the final upward impulse to prices and in particular for May.

Oats, like corn, receded at first but then rose to the highest prices yet this season. The advance was ascribed to sensational bullish crop reports.

Provisions were weak with hogs.

Chicago Livestock Market

Chicago, April 20.—U. S. Bureau of Markets.—Cattle—Receipts, 20,000. Beef steers, steady to 50c lower. Some unselected, sold; top, \$14.00; bulk, \$11.50 to \$13.50; also steady to 25c lower, mostly \$8.00 to \$10.00; canners, steady; bulk, \$4.50 to \$5.00; bulls, steady to 25c lower. Calves, strong; mostly \$15.00 to \$16.00; feeder trade mostly nominal.

Hogs—Receipts, 29,000. Mostly 25c to 35c lower than Monday's average. Shipping demand active, closing strong. Top, \$16.50; bulk, \$14.75 to \$16.25; bulk pigs, \$14.00 to \$15.00.

Sheep—Receipts, 15,000. Market steady to 25c higher. Spring lambs, \$24.00; best wool lambs, \$21.75; top, shorn lambs, \$19.00; bulk, \$18.50 to \$19.00; woolen, \$19.00; yearlings, \$19.00; best ewes, \$15.00; shorn, \$13.50.

Cheapness in Electrical Work Seldom Brings Satisfaction

There are so many ways that electrical work may be "skimped," by unreliable workmen that for your own protection you should see that your wiring is done by a thoroughly reliable firm. Our policy has not been to see how close we can come to the minimum standard and "get by." We aim rather to give you better work than is absolutely required, thus assuring you of complete satisfaction for the future as well as today.

SCHOOL ELECTION HELD AT WHITE HALL

Largest Vote in Years Polled at Saturday Election—Evans Garage Threatened by Fire—Other White Hall News.

White Hall, April 19.—This is a season of elections, and the unfavorable condition for farm work induced a large vote at the school district election last Saturday, at which there were polled a total of 111 votes out of a possible 3,000, but it is the largest vote at a school election in six years. Louis Lowenstein got 107 votes for president of the board of education, and H. W. Shirley and Alonzo Ellis were re-elected members in face of their declarations that they did not wish to succeed themselves, the former receiving 101 and the latter 69 votes. Dr. E. J. Hume received 19 votes and Lynn Smith 35 votes for members. Mr. Lowenstein is, therefore, retained as president, H. W. Shirley as secretary and the members are Alonzo Ellis, J. C. Spencer, Dr. R. A. Hamilton, Dr. A. C. Rich and T. N. Rose. No action has been taken toward surrendering the high school to the community district, this action being held in abeyance pending the court litigation.

At the presidential preferential election the Tuesday previous member of the American Legion post appeared as workers for Wood, and there were about 200 votes polled in the three precincts. Wood carried White Hall and Chicago.

Next Tuesday occurs the annual city election, and there is a contest in the First Ward between Hal W. Galtwhry and George W. Chism for alderman. Chism had withdrawn from the race, but has changed his mind and will make the race.

Disastrous Fire Threatened

A fire broke out in the Evans garage at midnight Saturday night and smoke and fumes filled the building when discovered by Joseph Lyman, manager of the \$20,000 new Princess theater that adjoins the garage. A burning motor had communicated fire to some wood work and the blaze was extinguished before any great damage was done.

A son, first child, was born to Mr. and Mrs. Carl Dessel.

In the work of compiling a list of soldiers' graves in this community, the graves of four veterans of the Revolutionary war have been found. Heretofore the name of one Revolutionary veteran has been carried on the White Hall roll, and the one was regarded as a notable matter for the remains of a veteran of the Revolution reposing in a grave this far west. Now that four are discovered, it is probable that White Hall has the record for the middle west.

The weather is still cloudy and damp at the close of the week, further retarding the progress of farm work. Very little oats plowing has been accomplished and there is coming a congestion of farm work, with a shortage of labor to meet the situation. Winter wheat and grasses are showing a yellowish tint as the result of weather conditions, from which it may recover, it being early for anything serious. The percentage of early wheat damaged by fly is sufficiently low as to cause no great concern, and the drop on the whole thru this section ought to prove up about 90 with recovery from the present sick appearance. Reports a week ago that fruits are in good condition are being maintained. The peach bloom still holds good. The number of spring pigs is showing up lower than the figure for last year, and a record of several cars of stock hogs bought in Oklahoma, Missouri and Arkansas are being held up by the railroad situation. The first shipment of live stock from this point since the rail tie-up consisted of three cars of cattle to the St. Louis market Sunday night. The day output of products at White Hall, an industry allied to agriculture, continues at a maximum, the tie-up at important rail terminals having seemingly favored the receipt of empty cars for the shipment of drain tile, sewer pipe and stone ware, but on the other hand the coal supply is becoming so acute that a shutdown may be forced by a fuel shortage. The Burlington road delivered a train of coal here the latter part of last week.

The following poem was written by Henry Polk Lowenstein, as a tribute to Dr. A. W. Foreman, of White Hall, on his eightieth anniversary. Dr. Foreman is a physician and scholar of high character and much beloved in his community.

My Dear Old Friend
My dear old friend of long ago,
May I keep in and say "Hello!"
And ask you how you've been these years?

Whilst traveling through this vale of tears
On your long journey here below?
How pass the hours, for weal or woe?

And how the years that seemed to go
So fast, with endless hopes and fears,
My Dear Old Friend?

And how the setting sun and glow
Of morning's early dawn and flow
Of streams of light from heavenly spheres
Fill now your soul with blissful cheers

And benedictions on you bestow,
My Dear Old Friend?

Hear Frances Ingram, Metropolitan Opera Company, New York. One of the greatest contraltos America has produced. Illinois Woman's College, Friday evening, April 23rd. Admission \$1.00. Tickets Brown's Music Store.

Just where and how is the money to be spent?

A businesslike Answer to a businesslike Question

1
FOR THE CHURCH'S WORK AT HOME. A score of items come under this head. Consider only one. Five and a half million people in the United States cannot even read and write the English language. Who is to carry forward this vast work of Americanization if the Church does not?

2
FOR HOSPITALS AND HOMES. Every year thousands of men and women seriously ill are turned away from Church hospitals because of lack of room. The children's homes are compelled to turn away more children than they can receive.

3
FOR RELIGIOUS TRAINING. At least 12,000,000 children and young people under 25 years of age are entering American life without any religious training at all. Remembering the faith of Washington and Lincoln, do you think that America will continue to produce Washingtons and Lincolns if Faith dies out of the hearts of its youth?

4
FOR HIGHER EDUCATION. Of the 450,000 American students in institutions of higher grade, one-half are in institutions founded and supported by the Churches. Many of these institutions have had no great endowment campaigns, but their needs are just as pressing as the needs of larger schools; and you have only to read their list of alumni and alumnae to measure the value of their contribution to America.

5
FOR THE CHURCH'S WORK ABROAD. Influenza came first from the Orient thirty years ago; nearly all plagues are Oriental plagues. So long as China has only one physician to every 400,000 people the Orient will continue to be a menace. So long as one-third of the babies of India die before their second year our own babies are not safe. A Christian doctor or teacher sent abroad is working for America as truly as though he worked at home.

6
PREACHERS' SALARIES. The preacher is called the "Forgotten Man," and well he may be. Eight out of ten preachers are paid less than \$20 a week!

THIRTY denominations cooperating in the Interchurch World Movement have budgeted their needs. No business could have done it more scientifically.

They have united to prevent the possibility of duplication or waste. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort.

Each denomination has arranged its needs under six main heads as shown at the left.

Each denomination has its own detailed budget, and will administer its own funds. Your pastor has copies of the budget; examine them for yourself. In the week of April 25th-May 2nd you will be given your opportunity to help. You can do it with the full satisfaction of knowing that every dollar of your gift has its post of service assigned to it in advance.

Every dollar for a better America and a better world. When your church calls on you, give—and give from your heart as well as from your pocket-book
